### Getting to know YOU:

**What drew you to early learning?**

A well designed early learning system has tremendous potential to positively impact families in Washington State. This is an identified need with long-lasting implications.

**How do you hope to influence a stronger early learning system for Washington?**

I hope to provide a rural perspective of family life, both personal and through association, to those involved in the early learning systems in Washington.

**What was your first job?**

I was a strawberry picker in eighth grade for the summer. It paid \$2.50 an hour but I got to eat all the strawberries I wanted!

**As a child, what did you want to be when you grew up?**

I wanted to be a fireman who owned a crayon factory.

**What is your favorite childhood memory?**

My favorite childhood memory would have to be baking projects with my mom.
