

EARLY ACHIEVERS SCHOLARSHIP OPPORTUNITIES

Scholarship opportunities are available for students who are employed at an Early Achievers (EA) facility. Scholarships are available for CDA programs, Certificates, Associates Degrees and Bachelor's Degrees in Early Childhood Education (ECE). Choosing an academic program that supports your career goals is an important decision. Early Achievers Opportunity Grants and Washington Scholarships for Child Care Professionals are two student financial aid resources that are prioritized for students who are employed by Early Achievers facilities. Below is a chart to help you decide which scholarship program would be best for you. You may also be eligible for additional financial aid beyond these scholarship opportunities. Check with your school of choice to learn about additional opportunities.
