**OVERALL PURPOSE**

The purpose of the Early Learning Advisory Council (ELAC) is for representatives from the state’s early learning stakeholder communities to provide input and recommendations to the Department of Early Learning (DEL) so that DEL’s strategies and actions are well-informed and are broadly supported by parents, early care providers, health/safety experts and interested parties. The Governor holds final authority for policy decisions and his P-20 Council will be made aware of ELAC’s input to DEL.
