

Resources for Remedial Activities

Available Tools/Resources:

There are a variety of tools available to assist participants in attaining desirable Early Achievers rating, as well as provide a platform for documentation, to include:

Coaching Companion

- Teachers and coaches can use the Coaching Companion workspace to share video and track progress through the three major components of Practice-based Coaching. They are: Shared Goals and Action Planning, Focused Observation, and Reflection and Feedback. Practice-based Coaching is cyclical and supports use of effective teaching practices that lead to positive outcomes for children. Information and a handout regarding Coaching Companion can be found here: <https://eclkc.ohs.acf.hhs.gov/hslc/tta-system/teaching/development/pbc/coaching-companion.html>

Coach Manual

- Coaches can use the [Coach Manual](#) as a reference in their daily work. It is a comprehensive manual of the coaching process and includes more than 30 embedded resource documents.

Initial Rating Interpretation and Planning Guide

- The [Initial Rating Interpretation and Planning Guide](#) is designed to help coaches and providers identify areas of strength and areas for improvement.

Quality Improvement Plan letter

- The [QIP letter](#) is written with the provider in mind, congratulating them on their rating and describing the QIP process. This letter is also available in [Spanish](#).
