DEL is responsible for licensing activities to ensure that standards of health and safety are present in child care facilities in accordance with RCW and WAC regulations. The term “child care facility” is used to indicate licensed family child care homes, child care centers and school-age programs.

Purpose

Clarify and standardize the process for posting product safety information and provide contact information for the United States Consumer Product Safety Commission (CPSC) to the licensee or director in child care facilities.

Policy

DEL personnel are expected to adhere to all components of the attached Safety Recall Procedure. In addition, DEL personnel are expected to:

- I. Communicate to the licensee or director how to obtain product safety recall information from the Consumer Product Safety Commission (CPSC).
- II. Inform the licensee or director of their responsibility to monitor for and remove recalled items from the licensed space.
- III. Provide facility licensee or director with a Statement of Responsibility for product safety recalls.
