

Who are Early Achievers stakeholders

Please review the draft list of stakeholders and add organizations or entities you believe should be invited to participate in a stakeholder group. Discuss and record key areas where their expertise will be helpful.

Public/Broad Stakeholders	
Families	
DEL Parent Advisory Group	
Public	

Workgroups

Working in a group, please brainstorm content areas related to our Early Achievers framework that may benefit from a focused workgroup during the version 2 planning stages. Some examples are: integrating ECEAP and Head Start and data systems function and usability.
