Electronic Attendance Project Approved Attendance Systems

All providers who accept child care subsidy payments will be required to use an electronic attendance system by July 1, 2018. DEL has purchased a system from vendor Controltec, which is free for providers to use, or providers may select another DEL-approved system.

If you are using an electronic attendance system that is not the one offered by DEL, please follow the instructions below:

Your System is on the Approved List

If the electronic attendance system you are using is included in the list below, please e-mail electronic.attendance@del.wa.gov with:

- Your name,
- Your SSPS #,
- The name/company of your attendance system.

Your System is Not on the Approved List

If the electronic attendance system you are using is **not** included in the list below, DEL will check to see if the system is in compliance with the attendance tracking requirements. Please complete the "Electronic Attendance System Approved System Checklist" and submit it to electronic.attendance@del.wa.gov when complete.

Below is a list of DEL-approved electronic attendance systems as of May 15, 2018. **This list will be updated regularly as new systems are approved.**
