

Learning Labs

Get additional hands-on practice for the Electronic Attendance System!

Learning Labs will provide additional support and hands-on practice of the new Electronic Attendance System! After attending a Learning Lab, providers will be able to:

- Gain skills and comfort using KinderConnect, KinderSmart, and KinderSign.
- Complete actions including: resetting passwords, submitting attendance records, adding sponsors, and finding QR codes to register devices or take attendance.
- Navigate the new system with ease and confidence!

Please note:

- Learning Labs are available *only* to those who have completed the Electronic Attendance System training
- You do not have to pre-register to attend, but participation will be based on the room's capacity and on a first-come, first-serve basis.
- Please bring your login information and any devices you'd like to practice on: smartphones, lap top computers, tablets, etc.
