✓ Electronic Attendance System

Trainings for the electronic attendance system are now open to all subsidy providers! Providers can choose between completing their training in person, online, or with a self-paced workbook. All trainings are available in English, Spanish, and Somali.

Starting July 1, 2018, all providers who accept child care subsidies will be required to keep attendance using an electronic attendance system. Providers may use DEL's Electronic Attendance System or another DEL-approved electronic system.

To find training schedules and other information on the Attendance Project, please visit the DEL website at: www.del.wa.gov/Attendance-Support. You may e-mail DEL at electronic.attendance@del.wa.gov with additional questions. For technical questions about the system, please contact the Service Desk Monday through Friday, 8 a.m. to 5 p.m., at eas.servicedesk@del.wa.gov or 1-844-704-6777.
