✓ **Electronic Attendance System**

**MANDATORY: Providers MUST begin using an approved electronic attendance system by July 1, 2018 to continue receiving Working Connections or Seasonal Child Care subsidy payments.**

If you are already using an electronic attendance system, verify that it is an approved system online at: <http://del.wa.gov/Attendance-Project>.

If you don't already use an electronic attendance system, DEL has purchased a system that is free for providers who accept subsidy. This new system will track, store and report on child attendance to support provider billing.

Training for DEL's free system is available:

- In person, online and through a self-paced workbook
- In English, Spanish and Somali
- In other languages upon request (call 360-725-4430)

Training information is available online at: <http://del.wa.gov/Attendance-Support>. If you have questions about the new requirements, contact [electronic.attendance@del.wa.gov](mailto:electronic.attendance@del.wa.gov) or 360-725-4430.
