

On May 9, 2018, DEL filed proposed rule language without weights. DEL expects to conduct a weight validation study after the rules take effect. Following the study, the aligned rules will be amended to include weights.

## INTENT AND AUTHORITY

### CHILD OUTCOMES

#### NEW SECTION

**WAC 170-300-0055 Developmental screening and communication to parents or guardians.** (1) An early learning provider must inform parents or guardians about the importance of developmental screenings for each child from birth through age five. **Weight #3**

(2) If not conducted on-site, an early learning provider must share information with parents or guardians about organizations that conduct developmental screenings such as a local business, school district, health care provider, specialist, or resources listed on the department web site. **Weight #3**

[ ]

#### NEW SECTION

**WAC 170-300-0065 School readiness and family engagement activities.** (1) At least once per calendar year, an early learning provider

must supply to parents or guardians kindergarten or school readiness materials. **Weight #3**

(2) Kindergarten or school readiness materials must be the same or similar to resources posted online by OSPI, the department, or other equivalent organizations. These materials may address:

(a) Kindergarten transition activities, if applicable; and

(b) Developmentally appropriate local school and school district activities designed to engage families. **Weight NA**
